

25 June 1962

*Contract Sec*

SUBJECT: Contract JM-1930

TO: Contracting Officer

This is to certify that the contractor has satisfactorily completed and furnished to the government preliminary design, development, development and integration of the [redacted] with the terms and delivery dates specified by Exhibit "A" of the contract.

25X1

The final report consisted of Volumes 1 thru 7 covering technical, management and cost data. Mockup units were constructed and delivered on schedule; therefore, it is requested that final payment be made to Hughes Aircraft Company for work covered in the performance of subject contract.
